There is a shipping label below, cut out and tape to box.

Be sure that everything is packed tightly in the box using bubble wrap or newspaper, and when you shake the box nothing rattles.

Make sure any box on the inside of the outer box is either taped shut or has rubber bands around it. Your blade box may open up in transit if the top isn't secured. Packing won't hold it closed.

Use the US Post Office and ship "Priority Mail". USPS Tracking is FREE, and the Post Office will put \$50.00 insurance on for FREE.

There is also "Regional" boxes, The postage is very cheap compared to regular box mail. This is our choice to mail back to you with. **SAVE THE BOX!**

****DO NOT USE A SMALL FLAT RATE BOX TO SHIP MORE THAN 6 - 8 VERY WELL WRAPPED BLADES. IT WILL BURST OPEN IF DROPPED OR THROWN BECAUSE THE CARDBOARD CONSTRUCTION IS VERY THIN.****

July 31st to August 3rd 2014

If your box is delivered around this time it will be late being returned to you because we will be at the dog show sharpening.

SUGGESTION: Mail it so we get it AFTER the dog show in August or September. If you try to get it here before the show like everyone else, we may not get to it and it will sit the 5 days we are at the show. This puts you box about 2 weeks behind because we have to catch up.
